MISSION AND VISION

Our Mission

To launch long-term, successful relationships between the individuals we place and our clients.

Our Vision

To lead the market in creating opportunities and delivering workforce solutions and services which allows our clients to work hassle free and providing a path of opportunities for unemployed individuals.

Our Approach to Service Delivery

Z PLUS SERVICES delivers operational excellence through a commitment to ethical conduct, transparency, and strict compliance. Our dedicated team provides swift, effective responses to client needs, offering value-added services such as security assessments and SOP development. We prioritize building strong client relationships and fostering a positive work environment.

MANAGEMENT

REMESH NAIR
PROPREITOR AND DIRECTOR

A retired Air Force officer established the company over two decades ago and has been dedicated to providing comprehensive security solutions ever since. His military background provided him with extensive experience in security operations, strategic planning, and risk assessment.
